

Application Criteria for Global Exchange:

- A minimum Cum.GPA of 2.50/4.00 for undergraduates, and a Cum.GPA 3.00/4.00 for graduate students.
- 1 year should be completed successfully before the Global Exchange application. ELC students are not eligible to apply.
- Undergraduate students can apply to the program from their 2nd year. Graduate and PhD students are able to apply to Erasmus+ program in their first term. If they not have Cum GPA of their current program they can apply with the graduation grade of their previous study cycle. Min GPA requirement is 3.00/4.00.
- The applicants are expected to take minimum 9 KU credits during their exchange period.
- Exchange program applicants who are double major students (having completed 15 university credits (30 ECTS) on the application period.), or who are enrolled in two graduate programs should choose one of their majors in order to apply to the program. Students cannot participate in an exchange program from their "minor" studies.
- For the previous participation to Global Program at the same study cycle -10 points is deducted. The deduction is not applied for the previous participation in different study cycle Erasmus+ applications.
- In the same study cycle if the students are selected before in previous selection period and cancelled their mobility without any force major, -10 points will be deducted from their following application. There will be a deadline for the cancellation after selection period. When the students cancel their mobility without any force majeure after the deadline of nomination to partner universities, students are not able to apply to any of the exchange programs offered by OIP. If students cancel their mobility before the cancellation deadline no deduction will be applied.
- The applications of the students who have F/W grade or disciplinary penalty are not affected. However students who have F/W grade should be aware and check regulations and departmental procedures that can affect their applications.

Selection Criteria:

Your CGPA 75%

Your TOEFL or IELTS (Taken in 2 years) 25%

Global Exchange Scholarship and Travel Grant: Global Exchange Scholarship and Travel Grant will not be available in third call applications. Students should consider the living and other expenses at the host institution when applying to the program.
