REGISTRATION TO COURSES

Courses can only be added/dropped during the official registration or add/drop periods. No changes will be admitted once those periods are over. Students are kindly invited to check in advance with their home universities which courses can be mapped or not. Esade requires students to be flexible when choosing courses since slots in specific courses cannot be guaranteed to any student.

LANGUAGE OF INSTRUCTION

Courses are taught in English and in Spanish. Students interested in taking courses taught in Spanish are highly recommend to have a B1 level in Spanish laguage, according to the Common European Framework for Reference of languages (CEFR). We reserve the right to ask the official certificates as a proof of Spanish knowledge.
Esade offers a Spanish intensive Language course for all Exchange students who want to learn or improve their Spanish. The Spanish Intensive Course takes place during the Orientation Program and grants 2 ECTS. Note that students must enroll during the registration process.
