A world-class university

As a student at the University of Sydney you’ll become part of a highly talented community of high-calibre academics, researchers and students who are leading new thinking and pushing boundaries. This unique community, along with our innovative learning facilities and beautiful campuses, are just some of the reasons we’re ranked number one for student experience in Australia.

**Location and campuses**

Our main campus (pictured) is Camperdown/Darlington, located approximately 3 kilometres southwest of the heart of the City of Sydney, and houses most faculties.

Dentistry; Health Sciences; Nursing & Midwifery; Sydney College of the Arts (SCA) and Sydney Conservatorium of Music; plus some facilities for Agriculture and Environment and Veterinary Science are located on other campuses.

Accommodation

Our Study Abroad and Exchange students are each guaranteed accommodation at one of our preferred providers: Urbanest, The Regiment Building, Queen Mary Building (QMB) and the residential colleges*.

We negotiate special terms and discounts with these providers to cater them to our exchange students, who are notified on how to apply when they are issued their Unconditional Offer.
