Important Information

1. The number of students you will send **may by no means exceed the number of students mentioned in this agreement**. More specifically, we do not accept the mechanism by which shorter periods of stay allow for the sending of more students, i.e. on an exchange of 1 student for 10 months, you may not freely send 2 students for 5 months, not even if their stay covers different semesters. Please consider this when organising your students' selection.
2. Complutense University has facilities for students with a learning or physical disability. Disabled students can rely on the support service "**Office for the Integration of Persons with Disabilities**", which offers material, technical, and social aid. Please **contact** the IRO in order to guarantee adequate information and assistance.
