

BETA

Rooming's aim is to become an international recognised platform for students' accommodation. Our mission is to maximise mobility and ensure the experience of freedom by giving the opportunity to access accommodation markets outside hometown and abroad. Thus, Rooming helps universities and their students to manage their accommodation needs and improve the experience of a safe study abroad or internship.

RENT

Search by University

Find a room abroad

Read experiences of fellow students

LET

Sublet your flat to other students

Help international students to feel at home

Don't pay rent without using your room

After successful start together with our pre-selected partner university in Germany we are opening up for more partnerships with universities in Germany and abroad. You can simply set up Rooming at your university!

Just send us a mail to benedikt.scholz@rooming.eu
