Good Universities Guide 2023
Choose a campus

You can choose where you study your UOW degree, with our global network of campuses and education partners. Our global presence means that you can gain your UOW qualification from one of many locations around the world. Our credit transfer arrangements also mean that you can start your degree overseas and complete your degree in Australia.
Study in Australia

The University of Wollongong has three metro campuses, each with their own unique benefits, in Wollongong, Sydney CBD and Liverpool.

Welcome to Wollongong

Located on the east coast of Australia, Wollongong is a student city and the ideal place for you to study. It’s a diverse, safe and friendly city, filled with many languages, cuisines, religions and customs. A busy cultural calendar attracts people from all over the world who enjoy a healthy, active lifestyle.

- **35+ nature walks**
  Maintained by New South Wales (NSW) National Parks in the Wollongong region.

- **3rd largest city in NSW**
  386,591 people call the Wollongong region home.

- **17 beaches**
  Patrolled by lifeguards September to April – with North Wollongong Beach patrolled all year round.
Make yourself at home

Just 90 minutes south of Sydney, Wollongong has the convenience of a big city with the ease of a small town.

GETTING AROUND WOLLONGONG

Once you arrive here, your transport options around Wollongong are safe, easy and cheap.

Free Buses

Wollongong is well-connected with buses going to all of the surrounding suburbs. Free ‘city loop’ buses run all day and into the night, making it easy for you to travel from campus and student accommodation to the city centre, train station and shopping district.

Train

North Wollongong Station is a 15-minute walk or a short free shuttle bus ride from our Wollongong campus.

Bicycle

UOW has facilities including showers, change rooms, and secure bike lock-up. Bike racks are also conveniently placed outside buildings across campus.

Walk

Most destinations in Wollongong are an easy walk away.

Car

UOW runs a carpooling program, so if you have two or more friends in your car, you get free parking on campus.

Cost

For any public transport in and between Wollongong and Sydney, you’ll never pay more than $16.80 a day or $50 a week.1

COMPARE THE COST OF LIVING

Being a student city, the cost of living is lower2 than many Australian cities, including Sydney and Melbourne. So in Wollongong, you can focus on your study, not your finances.

Eggs $5.00 – 12 regular

Bread $2.40 loaf

Cola $3.00 – 2L bottle

Coffee $3.50 on campus

Milk $1.70 – 1L

Apples $4.70 – 1KG

Rice $2.40 – 1KG

Rent

Median weekly rent3 for 2BR apartment:

Wollongong $463

Liverpool $400

Sydney CBD $780

Melbourne Metro $440

SEEK ADVENTURES

Go hang gliding at Bald Hill, experience skydiving over the beach, or zipline through the forest at a nearby treetop tour.

ENJOY NATURE

Interact with the native Australian animals at Symbio Wildlife Park, or enjoy one of many great hikes in the Illawarra, including Sublime Point and Mount Keira, and see the coastline stretch for miles.

Experience nature’s playground of walks, beaches and waterfalls in the Royal National Park, located just 50 minutes north of Wollongong.

INDULGE

Enjoy food and drinks with a view at one of the many cafes and restaurants overlooking the Pacific Ocean in North Wollongong.

HAVE FUN

Wollongong is home to 20+ live music venues, including UOW’s UBar.

RELAX

Experience what’s on in Wollongong throughout the year, including the Sunset Cinema, Eat Street Markets, festivals, pop-up events, live music and so much more.

SEE SOME SPORTS

Watch the St. George Illawarra Dragons compete in the NRL or see some slam dunks at an Illawarra Hawks basketball game at WIN Stadium.

BE ENTERTAINED

See a show at the Illawarra Performing Arts Centre, listen to a talk or take a workshop at the Wollongong Art Gallery.

MEET UP

There are over 3,000 businesses in Wollongong CBD with new cafes and shops opening up all the time. You can also join one of many special interest Meet Up groups going on around the region.

Innovation Campus

Innovation Campus is a 33-hectare research, development and commercial precinct. The campus houses national and international companies, researchers and students to develop and translate products into commercial successes. The future is being created here.

UOW’s innovative Health and Wellbeing precinct will also be located at Innovation Campus. This will include Australia’s first primary and community health clinic to offer patient-centred healthcare, mental health services, aged care facilities, research and teaching programs.
UOW offers a range of accommodation options conveniently located both on campus and in Wollongong city. With options for self-catered or catered rooms, you’re sure to find the home that suits you.

**You’ll make lifelong friends with students studying everything from politics to polymers when you live in a UOW residence. It’s a welcoming, ready-made community, with a calendar full of social, sporting and cultural events.**

When you live on campus you will feel safe, secure and supported. Wellbeing support is available 24/7 from trained residence staff and student resident ambassadors. Building and room access is secured by individually-coded access keys, meaning that even in shared units, bedrooms can only be opened by the key-holder.

It’s not surprising that students who live in our residences achieve higher academic outcomes on average than students choosing private accommodation.

---

**Homestay**

For those who prefer a family-oriented lifestyle, Homestays (living with a local family in a private home) are available. UOW College Australia received 100 per cent student satisfaction for Homestay Welcome and are ranked 1st globally and in Australia.

For more information see uow.info/homestay

---

**Private Accommodation**

UOW provides you with all the information you need about private and shared accommodation. Our dedicated accommodation web page also contains information on temporary accommodation you can use while you’re looking for a place to live.

Learn more at uow.info/live-off-campus

---

**Applying for UOW Accommodation**

You can apply to live in UOW accommodation online at apply-accom.uow.edu.au

In order to secure a place in a residence, you should submit your application as early as possible.

For a full schedule of fees see uow.info/accomm

---

**Wollongong campus life**

Our beautiful Wollongong campus is safe, vibrant, and open, with everything you need to achieve your best and feel like you belong. You’ll meet a friendly university community with a wide range of facilities to help you succeed in your studies and make the most of your time at UOW.

---

**Achieve**

Get the most out of your study with both online and print library resources, and study spaces designed to help you focus on your studies, or collaborate with other students.

Access academic support programs: uow.info/support

**Refuel**

You won’t go hungry with seven places to grab a coffee, 20+ food outlets, our own UniBar and a supermarket conveniently all on campus. For even more options, take the free bus into Wollongong city centre.

**Join a Club**

With over 120 clubs and societies covering everything from religion and culture, to study groups and hobbies, it’s easy to meet like-minded friends and have fun. Can’t find one you like? You can start your own.

Your club, your experience: clubs.uow.edu.au

**Get fit**

With your student discount, UniActive is the place to keep fit with state-of-the-art gym facilities, a 50-metre swimming pool, various courts and ovals and a variety of group exercise classes each week.

Stay fit with uniactive.uow.edu.au

---

**Hear some live music**

Hosting internationally-renowned musicians, local bands, artists and comedians, the UniBar is the place to go for a great night out.

The UniBar is home to the famous hot chip roll and the place for students to relax at lunch or wind down after finishing exams.

Check out the upcoming gigs at unibar.uow.edu.au

**Activities**

Enjoy a full calendar of student events and activities, including outdoor cinemas, free food, makers markets and so much more, right here on campus.

puls.uow.edu.au/whats-on

**Stay healthy**

Take care of yourself with a health clinic, pharmacy, physiotherapist, and counselling services all on campus.

**Feel safe**

Our free SafeZone App and UOW Security team are here to help ensure we have a safe and secure campus environment.

---

Choose your UOW residence

Get your university experience off to a smooth start. Your weekly rent in a UOW residence includes Wi-Fi, electricity, water, furniture, security and support – no surprise bills or unexpected costs.

Beach-side and city residences are connected to the campus by free shuttle buses.

You can apply online at apply-accom.uow.edu.au

*Prices listed are for 2023. Fees for 2024 will be available from June 2023 at uow.edu.au/accommodation

**NUCLEAR FREE ZONE**

---

**BANGALAY**

Postgraduate students and mature-age undergraduates should consider Bangalay. Located directly across the road from Wollongong campus, Bangalay offers single and couple student apartments and two-bedroom shared units. Two and three-bedroom family units are also available, making Bangalay ideal for students who move to Wollongong with their partner or family. All rooms are furnished and self-catered.

Price per week: $320

**GRADUATE HOUSE**

Located directly across the road from the Wollongong campus, Graduate House offers a unique environment for UOW postgraduate students and couples. Graduate House is ideal for students who wish to live with their family while studying at UOW. This independent living style makes Graduate House a sought after residence among UOW’s postgraduate students.

Price per week: $280

**KOOLOOBONG VILLAGE**

Kooloobong Village is the ideal residence for students wanting to live independently, but still keen to be part of a community. All Kooloobong students have access to study and wellbeing support and enjoy an inclusive social life in a safe environment. Offering furnished shared units and single studio apartments, this self-catered accommodation is located on the Wollongong campus.

Price per week: $280

**CAMPUS EAST**

Campus East is UOW’s only student residence offering a choice of catered or self-catered units. Students can also choose to live in a furnished single unit or share a two, three, or five-bedroom with other students. This residence is only a short 5-minute walk to Fairy Meadow beach and 2 minutes to the free bus.

Price per week: $290

**I-HOUSE**

Located only minutes from our Wollongong campus and North Wollongong train station, I-House is a great option for students wanting to live on campus while studying. I-House features recently renovated facilities, indoor and outdoor dining areas, plus meeting and study rooms – everything you need to balance out your student life. I-House offers single rooms that are catered for 14 meals per week.

Price per week: $275

University of Wollongong

International Course Guide 2023/24
Supporting your success

Gain practical skills

At UOW, you can graduate with real workplace experience and the skills employers want.

**WORKPLACE PRACTICE**

UOW will help you prepare for the workplace through subjects that teach professional communication skills and provide opportunities to gain experience in your desired industry.

**BUILD YOUR CAREER**

Careers Central offers support and opportunities to gain practical workplace experience. Our skilled Career Consultants will help you build a portfolio of experience that employers will value. We help you:

- Engage with employers on campus or online to learn about current jobs and internships available across the job sector.
- Find and apply for relevant paid internships and placements.
- Prepare for your future career by exploring workplace learning experiences through our career-based elective subjects.
- Make better career choices by knowing what opportunities are available.
- Maximise any paid internship or workplace experience you have found independently.

**LEARNING FOR PROFESSIONAL ACCREDITATION**

Professional degrees at UOW integrate practical workplace learning to earn you professional accreditation with peak national and international bodies, including Engineers Australia, the Nursing & Midwifery Board of Australia, the Australian Computer Society, the Australian Board of Studies, Teaching and Educational Standards. Check the UOW website or talk to your UOW representative to find out about professional accreditation experiences available in your degree.

**WORK-INTEGRATED LEARNING**

Our practical approach to learning will help you enhance your employability. Work Integrated Learning subjects allow you to apply the knowledge and skills acquired through your studies and gain experience in your desired industry. UOW Careers Central will also assist you to find and apply for relevant paid internships and placements, and maximise these experiences to build your portfolio for future job opportunities.

It’s been really good that the University offers a lot of extracurricular opportunities, and other ways of learning outside of the classroom. As an education student, it’s been really good to get involved with Early Start, so I can have that practical experience throughout my degree. I’m really enjoying studying at UOW.

Mahime Watanabe
Bachelor of Mathematics Education (Dean’s Scholar)
Japan

Career development & jobseeker resources

If you’re planning to find work in Australia, UOW Careers Central will show you where to look.

**CAREERHUB**

UOW CareerHub is an online tool that will help you find and apply for jobs, and attend workshops and events during your time here (and after you graduate). Through CareerHub you can:

- Search for jobs including graduate, vacation, part-time and casual, and work experience opportunities.
- Register for workshops, employer presentations and careers expos.
- Have your resume reviewed and book an appointment with the Careers and Employability team.

**JOBS ON CAMPUS**

Jobs on Campus connects students with employers at UOW who are looking to hire staff. Jobs range from customer service in retail outlets to student support roles and office work.

**UNIVATIVE**

Univative is a student consultancy program designed to enhance your employability. You will gain first-hand knowledge and experience of a particular organisation or industry while working on innovative solutions to business challenges.

**PROMISE**

UOWX connects you with valuable cocurricular activities that are offered at the University. The personal and professional development that you gain through these activities is formally recognised through the UOWX Record and Award.

**VOLUNTEER ON CAMPUS**

Become part of campus life, meet new people, support local charities and your fellow students. You can even get formal recognition for your time through UOWX.

**WORKING WHILE YOU STUDY**

An international student visa in Australia allows you to work up to 40 hours per fortnight (two weeks) during university sessions and more during the break. Currently, more flexibility allows visa holders to work more hours than the visa restriction, until 30 June 2023. For up-to-date and accurate information on the conditions of visa holders visit: immi.homeaffairs.gov.au/visas

I was always after a university that can provide job opportunities, and I got the chance to work in South 32; it is a very famous mining company in Australia. Working in the mining sector in Australia is a really good opportunity, and Wollongong is definitely providing that opportunity.

**uow.info/careerscentral**
As a UOW student, you’ll have the academic and personal support you need to succeed.

We are a student-centred university with available staff, dedicated research supervisors and a personal approach. From the day you become a UOW student, you can expect guidance and support.

Academic support

ACADEMIC ADVISERS AND POSTGRADUATE COORDINATORS
Each faculty has advisers and coordinators to assist you with questions about your subjects or course. You can also consult your tutor, lecturer or the course coordinator.

GRADUATE RESEARCH SCHOOL
The UOW Graduate Research School supports Higher Degree Research students with orientation and enrolment, scholarships, finding a supervisor, training and professional development, and thesis submission and examination.

LEARNING DEVELOPMENT CENTRE
Learning Development offers a range of free resources, classes and consultations to all enrolled students seeking to improve their academic performance.

STUDENT COMPUTER LABS
The Student Computer Labs are open all day, every day during session and provide students with access to email, web, applications software, printing and Student IT Support. There are also teaching labs that contain special-purpose software for tutorials run by individual departments. When tutorials are not running, these labs may be used by any UOW student.

LEARNING CO-OP
The Learning Co-Op provides online resources, access to Peer Coaches and Academic Consultations to support you with your learning at UOW. This 24/7 service is a one-stop knowledge centre, and can help with assessment guides, effective studying tips, and connecting you with a Peer Coach.

LIBRARY
Our award-winning library and dedicated library staff are here to support you during your study at UOW. You’ll have access to print and digital collections containing over a million volumes, and dozens of learning spaces – from quiet study spaces to group seminar rooms.

STUDENT CENTRAL
Student Central is an office for student assistance, including enrolment matters, official documents (such as transcripts) exams and results, and student fee matters.

COUNSELLING SERVICES
This free and confidential counselling service is available five days a week to assist you with personal, study or work related difficulties. Counselling can involve identifying options and choosing between them, learning new skills to cope better with problems, gaining a greater understanding of what is occurring, or being supported while recovering from a significant life event.

HEALTH AND MEDICAL
There are a wide range of health services available to UOW students and staff. You can access doctors, dietitians and psychologists for friendly and local treatment of many health concerns. There is also a pharmacy located on our Wollongong campus if you require medications or other health-related products.

IT SERVICES ON CAMPUS
While at the Wollongong campus, you can access wireless internet and large computer labs at no extra cost. Many private and collaborative study spaces across campus have network facilities for student computers.

SAFEZONE APP
You can download SafeZone, the free smartphone app that makes it easy to ask for assistance from UOW Security Services with the press of a single button.

Personal services

COUNSELLING SERVICES
There are a range of religious services on and off campus, including a Muslim prayer space, the Omar Mosque near the University; the Nan Tien Buddhist Temple in nearby Berkeley and the Sri Venkateswara Hindu Temple. Student-based religious clubs include the Buddhist Society, Chinese Christian Fellowship, Uni Bible Group and the Muslim Association of Wollongong University.

STUDENT SUPPORT ADVISERS
These advisers provide support and referral services to UOW students. They also provide programs supporting student equity and diversity both within faculties and across campus. They assist you with a range of issues such as orientation to the local area, study difficulties, academic concerns, budgeting, homesickness, legal issues and accidents, student visas, health and personal problems, family emergencies, and children’s education. The service is free and confidential.

RELIGIOUS SERVICES
The Security Service helps provide a safe and secure campus environment with trained and licensed security officers providing emergency response, first aid, after-dark escorts and patrols. They operate 24 hours a day, seven days a week.

SAFEZONE APP
The teachers here are so friendly. My tutors are awesome! Whenever I go to them for advice, they’re so helpful. Any kind of problem regarding study, they’re always ready to help.

UOW has campuses in Dubai, Hong Kong and Malaysia and a presence in China and Singapore. Our global network provides students with opportunities to access quality education delivered by UOW outside of Australia.

INTERNATIONAL EDUCATION PARTNERS
UOW has established partnerships with a number of international education institutions to provide students with opportunities to access quality education outside Australia. These include:
- The Singapore Institute of Management (SIM)
- Central China Normal University (CCNU) UOW Joint Institute
- UOW Malaysia KDU (UOWMKDU)

TWINNING ARRANGEMENTS
UOW has twinning arrangements with Beijing Jiaotong University, Zhengzhou University and Tiangong University that are formally recognised by the Chinese Ministry of Education. Students are able to complete part of their program at their home institution and then transfer to UOW to complete the remainder of their degree.

UOW College Hong Kong
UOW College Hong Kong (UOWCHK) has provided quality tertiary education for more than 55 years. Since July 2015, the College has been part of UOW’s global campus network. UOW teaches a number of degree and top-up programs at UOWCHK to meet the changing needs of the workplace and produce high-quality graduates.

STUDY OPTIONS
UOWCHK has a range of accredited programs from diploma level through to degrees across all our disciplines:
- Accountancy and Finance
- Aviation
- Creative Media and Design
- Cultural and Legal
- Diploma in General Studies
- Engineering
- Information Technology
- Languages and Communication
- Management
- Marketing and Public Relations
- Psychology
- Science
- Social Science

PREPARE FOR YOUR CAREER
At UOW College Hong Kong, we produce career-ready graduates and have a strong focus on articulation pathways and student progression. Each year about 2,000 students take part in internships, special projects, fieldwork and site visits.

Our connections with the professional community, internship programs and highly qualified staff create an empowering environment for our students to acquire up-to-date business knowledge, build professional traits and nurture their abilities to handle workplace challenges in the future.

We encourage our students to take a truly global approach to their education and have established pathways between our international and Australian campuses. Students of UOW Dubai, UOW College Hong Kong, and UOW Malaysia KDU who wish to transfer may be eligible for a 25 per cent tuition fee reduction for the subjects they complete onshore in Australia.
UOW Malaysia KDU

UOW has delivered programs in Malaysia for more than 10 years. In 2018, UOW acquired university colleges from KDU, a private education provider in Malaysia. This initiative offers enhanced opportunities for the study of Australian courses in Malaysia.

UOW Malaysia KDU offers programs from foundation courses through to research doctorate degrees. Students can commence their foundation or diploma studies and progress through to degree studies at our Batu Kawan campus, or any of the other global UOW campuses located in Australia, Dubai and Hong Kong.

CAMPUS LOCATIONS

UOW Malaysia KDU University College
Located at Utropolis Glenmarie, UOW Malaysia KDU has state-of-the-art facilities and a contemporary teaching and learning environment. UOW Malaysia KDU offers a wide range of programs at certificate, diploma, degree and master's levels, and has introduced home-grown degree programs that are at the forefront of growing industries.

UOW Malaysia KDU Penang University College
Located at Jalan Anson, UOW Malaysia KDU Penang University College is the most popular private tertiary education provider in the northern region, with international alumni from 60 countries around the world.

UOW Malaysia KDU College
This UOW College campus offers quality international programs with great student experience through its partnership with top universities around the world. Students gain globally recognised pre-university and bachelor degree qualifications that are equivalent to those awarded by the partners’ home campuses.

UOW Malaysia KDU Penang University College, Batu Kawan
The Batu Kawan campus brings an Australian higher education experience to mainland Penang for the first time. You can choose to study programs from three faculties, including the Centre for Pre-University Studies, School of Engineering, Computing & Built Environment, and the School of Business.

- Business
- Communications and Media
- Educational studies
- Engineering
- Information and Communication Technology (ICT)
- Nursing
- Professional Accounting
- Social Science
- English language programs

UOW Dubai

The University of Wollongong in Dubai (UOWD) is one of the oldest and most prestigious universities in the United Arab Emirates (UAE). At UOWD, students enjoy new, ultra-modern campus buildings, located in the heart of Dubai’s vibrant education and training cluster, Dubai Knowledge Park. The building was customised to give students the best possible experience, as well as world-leading teaching, learning and research facilities.

Take a virtual tour: uow.info/dubai-tour

EARN A HIGH-QUALITY DEGREE

UOWD’s curriculum and teaching practices reflect those of UOW Australia. All of our courses are taught by qualified academic professionals who are all PhD holders, meaning you can be confident your qualification will be recognised and respected by global employers.

At UOWD, current students have access and support services available including the UniClinic and personal counselling services. Students also have a comprehensive range of library, technology and academic support services, as well as physical resources to create the learning experience that UOW is renowned for internationally.

BECOME CAREER-READY

UOWD’s priority focus is student employability, with career development services playing an important role in maintaining high rates of graduate employment.

Our qualified career advisers have an extensive network of employer links to connect you with work experience or internship opportunities while you study, and to help you transition to graduate positions when you’re ready to step into the workplace.

STUDY OPTIONS

At UOWD, all our degrees are internationally recognised and accredited by the Commission for Academic Accreditation (CAA). Study options range from foundation courses to undergraduate and postgraduate degrees across all disciplines below:

Choose a course

Each UOW degree has been designed to reflect the needs of future employers – that’s why our graduates are ranked the best in Australia. Studying at UOW paves the way for a fulfilling career anywhere in the world. Where will a UOW degree take you?

How to use this guide

Understand UOW course types

BACHELOR’S DEGREES
UOW bachelor’s degrees offer you many options to focus on and combine interests. These degrees are often flexible, with a wide range of majors to specialise your studies. Many bachelor’s offer a double major option, or a broad range of elective subjects, allowing you to custom-build your own degree around your passions.

HIGH-ACHIEVER PROGRAMS
Our high-achiever programs offer you self-directed study and research opportunities. These programs may be integrated into your degree or taken as an additional year of study.

For more, visit uow.info/high-achiever

DEAN’S SCHOLAR (DS), SCHOLAR DEGREES (S) AND ADVANCED DEGREES
These degrees give high-achieving students opportunities to excel.

Dean’s Scholar, Scholar and Advanced Programs vary throughout degrees, with each offering either some – or all – of the following opportunities; an academic mentor, annual book allowance, exemption from some first year subjects, ability to fast-track the degree, access to academic workshops, seminars and networking events, and opportunities to participate in research enrichment activities. Scholars will have opportunities to tailor their studies to their interests, and may be able to accelerate their degrees.

HONOURS
Being granted Honours distinguishes a graduate as a high-achiever. Honours degrees are recognised as a qualification above and beyond a degree. An Honours project is a substantial personal study program, often in the form of an individual research project, which usually takes a year to complete.

At UOW, Honours is either integrated into a degree or taken as an additional one-year program after completing a bachelor’s degree. See examples below:

INTEGRATED HONOURS
4 YEARS
Bachelor of Engineering (Honours)

BACHELOR + HONOURS
3 YEARS
Bachelor of Arts + 1 YEAR
Bachelor of Arts (Honours)

*Applications will be subject to UOW entry requirements including Faculty assessment. Students must also achieve NMBA registration as an Enrolled Nurse prior to Bachelor of Nursing commencement.
Entry requirements

**COUNTRY-SPECIFIC ACADEMIC ENTRY REQUIREMENTS**
UOW and UOW College Australia recognise secondary qualifications from more than 40 countries and education systems from all around the world, including GCE A Levels, International Baccalaureate and SAT. UOW College Australia can assess students who have completed the equivalent of Australian high school (Year 12) from places such as China, India, Nepal, Vietnam, and more. Students who have completed an approved Foundation Studies or equivalent program may also be considered for direct entry to UOW.

Not sure about entry requirements from your country? To find out more, simply submit an application and we will assess this for you or email us at uowcollege-admissions@uow.edu.au

**ENGLISH LANGUAGE REQUIREMENTS**

All students are required to meet the English language entry requirements specified for their course and provide evidence of their English language proficiency. For full details go to uow.edu.au/future/international/apply/english

Results in the major international English language tests are accepted, including IELTS, TOEFL, Pearson, and Cambridge. Tests should be taken within two years of course commencement for English language courses.

**PREVIOUS STUDY IN ENGLISH**

Applicants may meet the English language requirement based on successful studies in Australia or offshore where English is the language of instruction.

**STUDY IN AUSTRALIA OR AUSTRALIAN QUALIFICATIONS OFFSHORE**

Successful completion of the following qualifications are acceptable as meeting the University’s English language requirement:

- Year 12 in Australia, or any Australian Year 12 qualification completed offshore;
- Foundation Studies, Certificate IV or Diploma with a minimum duration of one year (full-time) completed in Australia; or any of those qualifications completed at an Australian institution offshore;
- At least one year of full-time study toward a bachelor’s or master’s degree in Australia, or at an Australian institution offshore.

**OTHER QUALIFICATIONS COMPLETED IN ENGLISH**

Applicants may be considered as meeting the English language requirements if they have successfully completed two (2) years of secondary or tertiary study at an approved institution where:
- the language of instruction was English; and
- the institution is located in a country where the official language is English.

Academic transcripts and an official letter from the institution certifying that English was the sole language of instruction and assessment must be provided. Previous study in English is considered on a case-by-case basis and does not automatically meet UOW’s English language requirement.

**WHAT IS THE ENGLISH REQUIREMENT FOR MY COURSE?**

This English requirement for each course is shown in the preceding course description pages. The requirements are shown in terms of the IELTS academic test requirements. For example, the English requirement for the Bachelor of Commerce is IELTS 6.0 (R, W, L, S: 5.5).

This means, to meet the English requirement for this course, a minimum overall score of IELTS 6.0 is required, with at least 6.0 in reading and writing, and 5.0 in speaking and listening bands.

The equivalent scores for overall and individual band scores in the TOEFL and Pearson Test of English (academic tests) can be determined by using the table below:

<table>
<thead>
<tr>

</tbody>
</table>

The English language requirement may also be satisfied by completing a ‘direct entry’ English course with UOW College Australia (see page 30). UOW recognises a number of other English language pathway courses offered by English language centres in Sydney, for details, email futurestudents@uow.edu.au

**UNIVERSITY PREPARATION PROGRAMS**

**Foundation Studies**

The Foundation Studies program has been specifically designed for students who have not met the direct entry requirements for a UOW bachelor’s degree. Students will develop study skills, including time management, essay writing, group work and presentation skills, and become familiar with the academic standards and expectations at university.

## Direct Entry English courses

For those with beginner to advanced English skills, these courses provide a direct entry pathway to most undergraduate and postgraduate courses at UOW. Successful completion allows admission to UOW without having to sit an IELTS test when minimum UOW English language requirements are met.

### Introduction to Academic Studies

For students who have already met university entry requirements in their chosen undergraduate or postgraduate degree course and want to improve their academic skills before commencing undergraduate or postgraduate study.

### English for Academic Purposes

Students who have an intermediate to advanced understanding of English.

### General English

General English courses are for students who want to improve their all-round English language skills for everyday use, work or leisure at a pace that suits them. The course is designed over five levels. Each level has a strong focus on core skills such as listening, reading, writing and speaking.

### English Plus Uni

For higher level General English students who also want to experience university study.

- Stockbroker

INTEGRATED MASTERS (IM)
This four-year study option combines an undergraduate degree and a postgraduate degree to allow you to complete both within a shorter timeframe. The degrees are completed consecutively, so that after successful completion of the bachelor’s degree, you will receive a transfer of course credits that will allow you to complete your master’s degree in a shorter time, and for less cost. Visit uow.info/integrated-masters

Accounting, Finance & Economics

From building successful businesses to informing government policy, Accounting, Finance and Economics at UOW will equip you with knowledge that is the basis for successful decision-making and problem solving. Our curriculum is tied to the real business world and our degrees are recognised by professional associations in Australia as well as overseas.

You will have internship opportunities that count as credit towards your degree and ensure you graduate with experience employers are looking for.

Business, Marketing & Management

Learn sought-after skills that can be applied to your chosen industry anywhere in the world. Studying at UOW means you will earn your degree from a business school ranked among the top 5% in the world.

UOW Business students learn from a modern curriculum that teaches business theory and applies it to everyday business contexts. You will benefit from UOW’s international business links and have the opportunity to put your university knowledge in to practice through an internship, while receiving credit towards your degree.

## Communications & Media

In this increasingly connected and digital world, self-driven communicators with media skills and experience are in demand. When you study Communications & Media at UOW, you develop a broad range of skills that are tailored to meet the demands of employers.

Through internship opportunities and access to UOW’s state-of-the-art facilities, you will learn to research and communicate with different audiences for different purposes. You will graduate with a portfolio of work and experience informed by up-to-date industry knowledge.

Law

UOW Law has a reputation for producing outstanding graduates who are informed, independent, effective and responsible problem solvers and communicators. Our law school is ranked #3 in the world, meaning you will gain a world-class degree that provides a thorough grounding in law, as well as a real-world focus on essential practical skills, and the social and ethical context in which the law operates. As a UOW Law student, you will apply your knowledge in a 20-day internship as part of your studies, so you are prepared to take on the workforce once you graduate.

Law double degrees

UOW offers a diverse range of Bachelor of Laws double degrees, allowing you to complete two separate bachelor's degrees simultaneously, in less time than if you studied them one after the other. Double degrees deliver a practical and contextual legal education that prepare graduates not only for traditional careers in the legal profession, but also for a wide range of careers in government, business and community organisations - as leaders, innovators, and problem solvers.

The full list of UOW double degree combinations, scan the QR code. For specific information on each of the double degrees listed on our website, please refer to the relevant single degree course descriptions found in this guide.

Literature & Language

Equip yourself with skills for an increasingly global workplace by delving into the English language or learning to speak a new one. The ability to understand and communicate across multiple languages and cultures will put you at a unique advantage in your career. Studying Literature & Language at UOW provides a platform for you to develop the skills that future employers are looking for, including analytical thinking, exceptional written and oral communication skills, and the capacity to appreciate differences in cultural perspectives.

Social Science & Advocacy

Social scientists and social workers are tasked with improving the lives of not just individuals but whole communities. By predicting human behaviour and understanding how we interact with different environments, social scientists can develop plans and programs to improve the overall health and wellbeing of a population. UOW offers accredited, practice-based courses in the fields of social science, public health, social work, occupational health and safety, and human geography. You will have an opportunity to explore all aspects of your chosen field in your first year as an undergraduate, before going on to specialise.

Psychology & Human Behaviour

Understanding who we are, and how we think, feel and act is at the heart of the study of human behaviour. Improve your work with people across many fields, including psychological health and wellbeing, organisational behaviour, and how social systems such as families and governments operate. UOW offers accredited degrees in the fields of psychology and social work. You’ll learn from staff and get practical experiences to equip you with career-ready skills.

Computer Sciences & Information Technology

Information and Communication Technology (ICT) underpins everything we do in today’s digital world. Every industry, from creative and finance, to healthcare, agriculture and transport, is transforming and creating demand for ICT talent. Studying a UOW degree in this area will equip you with skills that will help you thrive in tomorrow’s economy.

Engineering

Engineering at UOW focuses on using cutting-edge technology to create change that matters. From clean water to sustainable energy, medical technology and transport that eases congestion, engineers use their skills to improve quality of life across the globe. Our undergraduate program allows you to specialise in a particular field or combine complementary specialisations in a double degree. You will benefit from our strong collaboration with industry and our outstanding reputation.

Bachelor of Engineering (Honours) Computer and Autonomous Systems Engineering | 083339G | Sydney | 4 years | Feb, July | Overall 6 (R:6, W:6, L:6, S:6)

Bachelor of Engineering (Honours) Electrical and Electronics Engineering | 083339G | Sydney | 4 years | Feb, July | Overall 6 (R:6, W:6, L:6, S:6)

Bachelor of Engineering (Honours) Environmental Engineering | 083339G | Sydney | 4 years | Feb, July | Overall 6 (R:6, W:6, L:6, S:6)

Bachelor of Engineering (Honours) Flexible First Year | 083339G | Sydney | 4 years | Feb, July | Overall 6 (R:6, W:6, L:6, S:6)

Bachelor of Engineering (Honours) Materials Engineering | 083339G | Sydney | 4 years | Feb, July | Overall 6 (R:6, W:6, L:6, S:6)

Bachelor of Engineering (Honours) Mechanical Engineering | 083339G | Sydney | 4 years | Feb, July | Overall 6 (R:6, W:6, L:6, S:6)

Bachelor of Engineering (Honours) Metallurgical Engineering | 083339G | Sydney | 4 years | Feb, July | Overall 6 (R:6, W:6, L:6, S:6)

Bachelor of Engineering (Honours) Mining Engineering | 083339G | Sydney | 4 years | Feb, July | Overall 6 (R:6, W:6, L:6, S:6)

Bachelor of Engineering (Honours) Telecommunications Engineering and Internet of Things | 083339G | Sydney | 4 years | Feb, July | Overall 6 (R:6, W:6, L:6, S:6)

Bachelor of Technology (Cyber Network Security) | 101029F | Sydney | 3 years | Feb, July | Overall 6 (R:6, W:6, L:6, S:6)

Bachelor of Technology (Industry 4.0) | 101029F | Sydney | 3 years | Feb, July | Overall 6 (R:6, W:6, L:6, S:6)
Environmental & Biological Sciences

Studying Environmental & Biological Sciences at UOW provides you with the opportunity to ask questions, make new discoveries and find innovative ways to protect our natural world at a time when it is most needed. UOW has close links with industrial and governmental organisations, providing you with opportunities to learn from leading researchers in state-of-the-art laboratories, as well as out in the field. You will graduate with a degree that is recognised as being one of the best in the world.

Bachelor of Conservation Biology (Honours)
Course CRICOS: 084861D
Duration: 4 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Environmental Science (Honours)
Course CRICOS: 085261J
Duration: 4 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science [Honours] 1
Course CRICOS: 094538K
Duration: 4 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science (Cell & Molecular Biology)
Course CRICOS: 003283D
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science (Ecology and Conservation Biology)
Course CRICOS: 003283D
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science (Environment)
Course CRICOS: 003283D
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science (Ecology)
Course CRICOS: 003283D
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science [Marine Science]
Course CRICOS: 003283D
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science (Physical Geography)
Course CRICOS: 003283D
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Maths, Physics & Chemistry

Turn your inquisitive nature into a career by studying Maths, Physics & Chemistry at UOW. Your study at UOW will teach you to ask important questions and how to use the answers to solve complex problems and advance society. Our degrees are regularly reviewed by industry experts to ensure you gain skills that are current, in demand and easily transferable to all industries and careers.

Bachelor of Data Science and Analytics
Course CRICOS: 099979G
Duration: 3 years
Starts in: Feb
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Data Science and Analytics (Honours)
Course CRICOS: 099979G
Duration: 1 year
Starts in: Feb
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Mathematics Advanced
Course CRICOS: 0306400
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Mathematics (Applied Mathematics)
Course CRICOS: 002938B
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Mathematics (Applied Statistics)
Course CRICOS: 002938B
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Mathematics (Pure Mathematics)
Course CRICOS: 002938B
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Mathematics and Finance (Honours)
Course CRICOS: 085501J
Duration: 4 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Mathematics and Finance (Honours) (Financial Planning)
Course CRICOS: 085498K
Duration: 4 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Mathematics and Finance (Honours) (Quantitative and Computational Trading)
Course CRICOS: 085498K
Duration: 4 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Mathematics and Finance (Honours) (Quantitative Corporate Finance and Investments)
Course CRICOS: 085498K
Duration: 4 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Medical and Radiation Physics
Course CRICOS: 052461G
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Medical and Radiation Physics Advanced (Honours)
Course CRICOS: 085499D
Duration: 4 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Medical Chemistry (Honours)
Course CRICOS: 084859K
Duration: 4 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science (Atmospheric Science)
Course CRICOS: 031274F
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science (Biological Physics)
Course CRICOS: 031274F
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science (Chemistry)
Course CRICOS: 031274F
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science (Chemistry) (Honours)
Course CRICOS: 031274F
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science (Chemistry) (Honours) Chemistry
Course CRICOS: 094538K
Duration: 4 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science (Clinical Radiography Technology)
Course CRICOS: 031274F
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science (Physics)
Course CRICOS: 031274F
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science (Physics) (Honours)
Course CRICOS: 031274F
Duration: 3 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science Advanced (Honours) (Atmospheric Science)
Course CRICOS: 085501K
Duration: 4 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science Advanced (Honours) (Biological Physics)
Course CRICOS: 085501K
Duration: 4 years
Starts in: Feb, July
Overall: 6 (R:6, W:6, L:6, S:6)

Bachelor of Science Advanced (Honours) (Physics)

Accounting, Finance & Economics

From building successful businesses to informing government policy, Accounting, Finance and Economics at UOW will equip you with knowledge that is the basis for successful decision making and problem solving. Our curriculum is tied to the real world, business and our degrees are recognised by professional associations in Australia as well as overseas.

You will have internship opportunities that can be credited towards your degree and ensure you graduate with experience employers are looking for.

UOW Business students learn from a modern curriculum that teaches business theory and applies it to everyday business contexts. You will benefit from UOW's international business links and have the opportunity to put your university knowledge into practice through an internship, while receiving credit towards your degree.

Learn sought-after skills that can be applied to your chosen industry anywhere in the world. Studying at UOW means you will earn your degree from a business school ranked among the top 5 per cent in the world.*

UOW Business students learn from a modern curriculum that teaches business theory and applies it to everyday business contexts. You will benefit from UOW's international business links and have the opportunity to put your university knowledge into practice through an internship, while receiving credit towards your degree.

*UOW was recognised among the top 5 per cent of business schools in the world, with an international accreditation from Association to Advance Collegiate Schools of Business.

Pathway options

Upon successful completion of a Graduate Certificate, students have the option to enrol into the associated master's and receive four subjects credit, as outlined below:

Graduate Certificate
- Applied Finance
- Professional Accounting
- Business

Bachelor's degree

Master's
- Applied Finance
- Business Accounting
- Business
- Business Analytics
- Financial Management
- Human Resource Management
- Innovation & Entrepreneurship
- International Business
- Management
- Marketing
- Supply Chain Management
- Project Management

If you have successfully completed an undergraduate degree in Business, Commerce, Finance, Project Management, Logistics or Supply Chain Management, you may be eligible for credit for prior learning into a range of master’s qualifications.

Complete a master’s in 1 year

Choose a combination of two master’s degrees from the following list, to complete a tailored program based on your career goals in just two years. For example, a Master of Business Analytics and a Master of Project Management.

- Master of Business
- Master of Business Analytics
- Master of Financial Management
- Master of Human Resource Management
- Master of Innovation & Entrepreneurship
- Master of International Business
- Master of Marketing
- Master of Supply Chain Management
- Master of Project Management

Complete 2 master’s in 2 years

Bachelor’s degree

Complete a tailor-made program based on your intended career goals.

Course CRICOS Campus Duration Starts in IELTS
Graduate Certificate in Applied Finance 098779G T1, T3 0.5 years Overall: 6 (R:6, W:6, L:5, S:5)

## Education

Shape the minds of future generations with a UOW degree in Education. There are few other professions where you can have such a profound impact on the lives of children and their families. An Education degree at UOW equips students with the skills and qualifications to not only play a huge role in the social, cognitive and emotional development of students, but to become an integral and respected member of the community. You will put theory into practice, with extensive practical placements in local schools built into your degree.

## Engineering

Engineering at UOW focuses on using cutting-edge technology to create change that matters. From clean water to sustainable energy, medical technology and transport that eases congestion, engineers use their skills to improve quality of life across the globe. You will benefit from our strong collaboration with industry and our outstanding reputation.

## Law

UOW Law has a reputation for producing outstanding graduates who are informed, independent, effective and responsible problem solvers and communicators. Our law school is ranked 88th worldwide*, meaning you will earn a world-class degree that provides a thorough grounding in law, as well as a real-world focus on essential practical skills, and the social and ethical context in which the law operates. As a UOW Law student you will apply your knowledge in a 20–day internship as part of your studies, so you are prepared to take on the workforce once you graduate.

Psychology

Understanding who we are, and how we think, feel and act is at the heart of the study of human behaviour. Improve your work with people across many fields, including psychological health and wellbeing, organisational behaviour, and how social systems such as families and governments operate. UOW offers accredited degrees in the fields of psychology and social work. You’ll learn from staff and get practical experiences to equip you with career-ready skills.

Course | CRICOS | Campus | Duration | Starts in | IELTS
--- | --- | --- | --- | --- | ---
Doctor of Philosophy (Clinical Psychology) | 0D3002G | | 4 years | Feb | Overall: 7 (R:7, W:7, L:7, S:7)
Master of Professional Psychology | 0994259 | | 1 year | Feb | Overall: 7 (R:7, W:7, L:7, S:7)
Master of Psychology (Clinical) | 0274673 | | 2 years | Feb | Overall: 7 (R:7, W:7, L:7, S:7)

Social Science & Advocacy

Social scientists and social workers are tasked with improving the lives of not just individuals but whole communities. By predicting human behaviour and understanding how we interact with different environments, social scientists can develop plans and programs to improve the overall health and wellbeing of a population. UOW offers accredited, practice-based courses in the fields of social science, public health, social work, occupational health and safety, and human geography. You will have an opportunity to explore all aspects of your chosen field in your first year as an undergraduate, before going on to specialise.

Course | CRICOS | Campus | Duration | Starts in | IELTS
--- | --- | --- | --- | --- | ---

Master of Social Work (Qualifying) | 094540E | | 2 years | Feb | Overall: 7 (R:7, W:7, L:7, S:7)
Previous study in English

Applicants may meet the English language requirement based on successful study in English in Australia or offshore. Previous study in English is considered on a case-by-case basis and does not automatically meet UOW’s English language requirement. Previous qualifications must have been completed within two years of commencement at UOW.

Study in Australia or Australian qualifications offshore

Successful completion of one of the following qualifications are accepted as meeting the University’s English language requirement:

- Year 12 in Australia, or any Australian Year 12 qualification completed offshore;
- Foundation Studies, Certificate IV or Diploma with a minimum duration of one year (full-time) completed in Australia; or any of these qualifications completed at an Australian institution offshore;* - At least one year of full-time study toward a bachelor’s or master’s degree in Australia, or an Australian institution offshore.*

Other qualifications completed in English

Applicants may be considered as meeting the English language requirements if they have successfully completed two years of secondary or tertiary study at an approved institution where:

- the language of instruction was English; and
- the institution is located in the following countries:
  - Bahamas, Barbados, Canada, Fiji, Ireland, Jamaica, New Zealand, Papua New Guinea, Samoa, Singapore, Solomon Islands, South Africa, Tonga, Trinidad & Tobago, UK or USA.

Academic transcripts and an official letter from the institution certifying that English was the sole language of instruction and assessment must be provided.

Visa requirements

As an international student you may have to meet the English language requirements based on your citizenship for visa purposes, as advised by the Department of Home Affairs. Please refer to homeaffairs.gov.au for more details.

Ask an International Student

Our UOW Student Ambassadors will share their authentic experiences with you. They understand firsthand the journey that you are now currently on, and started out just like you.

Start a conversation: uow.edu.au/study/international/ask-a-student

Scholarships for international students are offered by UOW, the Australian Government and a number of international organisations.

UOW offers bursaries for undergraduate and postgraduate students from a range of countries. As an international student undertaking an English based program or Academic pathway course you may be eligible for an English Language bursary with UOW College Australia.

Academic pathway & English language scholarships & bursaries

UOW College Australia offers a range of country based scholarships to students from selected countries for both English Language and Academic pathway courses.

Other qualifications are accepted as meeting the English language requirements if:

- the language of instruction was English; and
- the institution is located in the following countries:
  - Bahamas, Barbados, Canada, Fiji, Ireland, Jamaica, New Zealand, Papua New Guinea, Samoa, Singapore, Solomon Islands, South Africa, Tonga, Trinidad & Tobago, UK or USA.

Academic transcripts and an official letter from the institution certifying that English was the sole language of instruction and assessment must be provided.

How do I apply?

There is no need to apply. Complete the application form for your course and the scholarship will be assessed and awarded as appropriate.

UOW College Australia scholarships

UOW offers bursary scholarships for undergraduate and postgraduate students from a range of countries. As an international student undertaking an English based program or Academic pathway course you may be eligible for an English Language bursary with UOW College Australia.

JUPITER SCHOLARSHIP

If you are commencing a bachelor’s degree at UOW, you may be eligible for a 30 per cent tuition fee waiver.

Eligibility:

- Must hold an Australian Diploma of Language and Academic pathway courses.

Exclusions:

- This scholarship is not available for students studying nutrition and dietetics, exercise science and rehabilitation, education, social work and psychology degrees.

Full terms and conditions: uow.info/UES

UNIVERSITY EXCELLENCE SCHOLARSHIP

This scholarship is not available for students studying nutrition and dietetics, exercise science and rehabilitation, education, social work and psychology degrees.

Full terms and conditions: uow.info/UES

DIPLOMAT SCHOLARSHIP

If you are commencing a bachelor’s degree at UOW, and hold an Australian diplomatic visa 955, you may be eligible for a 30 per cent tuition fee waiver.

Eligibility:

- Must hold an Australian Diplomatic visa 955, and achieve excellent academic results in either your international secondary school qualification, an approved foundation studies program, or an approved diploma or academic pathway program.

Exclusions:

- This scholarship is not available for students studying nutrition and dietetics, exercise science and rehabilitation, education, social work and psychology degrees.

Full terms and conditions: uow.info/UES

UOW College Australia offers a range of English Language bursaries to students from selected countries for both English language and academic pathway courses.

This bursary is available to students from the following countries:

- Bangladesh, Bhutan, Brunei, Cambodia, Laos, Malaysia, Mongolia, Nepal, the Philippines, Sri Lanka, Thailand, and Vietnam.

UOW College Australia offers a range of Bachelor’s degree scholarships & bursaries.

BASED SCHOLARSHIPS

UOW offers bursaries for undergraduate and postgraduate students from a range of countries. As an international student undertaking an English based program or Academic pathway course you may be eligible for an English Language bursary with UOW College Australia.
Country bursaries

UOW country bursaries help make the world-class education offered by UOW more affordable for our international students. UOW has further extended these bursaries to include all countries and regions to reach more eligible students to study here in Australia. Students who receive an offer to study an eligible UOW course in 2023 will have the 20 per cent International Student Bursary applied automatically.

Eligibility:
All international citizens, excluding New Zealand, must choose an eligible course.

Exclusions:
UOW country bursaries are not available for students studying a Doctor of Medicine, Nutrition and Dietetics, Exercise Physiology, Teaching, Social Work and Psychology degrees.

For the full detailed list of exclusions and requirements visit uow.edu.au/study/scholarships/international

Postgraduate coursework scholarships

UOW POSTGRADUATE ACADEMIC EXCELLENCE SCHOLARSHIP

If you are commencing your coursework postgraduate degree at UOW, you may be eligible for a 30 per cent tuition fee waiver.

Eligibility:
Qualify as an international student.

Exclusions:
