Academics

Course catalogue

<https://www.sbs.su.se/english/education/current-students/course-offerings>

Students select the courses they wish to enrol in at SBS/SU in their online application. Course-schedules will be sent out roughly 1-2 months after the application has closed.

Students are to select at least two courses at Stockholm Business School, all courses at SBS can be guaranteed. If students wish to take courses at other departments they must indicate this in their online application, courses at other departments cannot be guaranteed and will be confirmed roughly one week before the semester starts.

Academic prerequisites

Students should note the prerequisites for the course(s) selected as indicated on the course website. If the prerequisites for a course are not met, students will not be registered for that course.

Full-time workload

Full-time studies are comprised of four 7.5 ECTS courses, totaling 30 ECTS per semester.

Students can take either one 7.5 ECTS course per period or two half-paced courses at a time. There are four periods in one semester.

Fall Semester Exams

Please note that the Fall semester lasts through mid-January. It is therefore important for students to plan accordingly in order to be able to attend their courses until the official end of the semester, as early exams are generally not possible. There is not an official break period during the winter holidays, so students must check their class schedules for conflicts before planning travel during that period.

Class attendance

Students are expected to attend all lectures and seminars. For some courses, attendance is mandatory. Failure to attend mandatory seminars can result in a failing grade for the course.

Official Transcripts

Two copies of students' official transcript of records will be sent to the international office of the home university after the end of the semester. Transcripts will be sent automatically, students do not need to request them. Note that only courses in which a passing grade was achieved will appear on the transcript.

Grading system

Approximate percentage achieved, Swedish grading system ECTS grade:

90-100%	Pass with Distinction (VG)	A
80-89%	Pass with Distinction (VG)	B
70-79%	Pass (G)	C
60-69%	Pass (G)	D
50-59%	Pass (G)	E
49% and below	Fail (F)	F

Please note that Stockholm Business School will only issue grades to its exchange students in accordance with the ECTS grading system; which is, A, B, C, D, E or F.

Fadderiet (the SBS Buddy programme)

The SBS Student Association organises a buddy programme for exchange students called the Fadderiet. Through Fadderiet, incoming exchange students receive a Swedish buddy and participate in activities such as introduction meetings in connection with Orientation Week, a tour of the SBS campus, and various activities throughout the first six weeks of the semester. Incoming students are highly encouraged to participate in the Fadderiet. Students staying for one full year are encouraged to volunteer as Faddrar.

Swedish Language Courses

Credit-bearing Swedish language courses at different levels are offered by the Department of Scandinavian Languages to all incoming exchange students. More information about registering for Swedish courses will be provided after students send in their registration forms. Information about the different Swedish courses available can be found at <https://www.su.se/svefler/english/education/courses-and-programmes/swedish-for-international-students>
