INSTITUTE INFORMATION

About Us

Institute of Management Technology, an AACSB accredited institute, was founded in 1980. With the emphasis on research and publications, strong alumni base, offering new and contemporary courses, it has been consistently ranked among the top business schools in India. In terms of International exchange, IMT has been consistently ranked high as per various reputed publications such as Outlook magazine, CNBC and The Economic Times. IMT is a centre of excellence, modern infrastructure and everextending International linkages. For more details visit our website: www.imt.edu

Location

Ghaziabad is an industrial city in the state of Uttar Pradesh, India. It is adjacent to New Delhi, the National capital. It is just 45 kilometres from Indira Gandhi International Airport, New Delhi. Upon arriving at the airport, hiring a pre-paid taxi is the most convenient way to reach IMT Ghaziabad. Students may also avail the Metro Railway facilities which connects the entire National Capital Region. (Delhi, Gurgaon, Ghaziabad, Noida, Greater Noida, Faridabad & Sahibabad)

International Vision

Through International programs and collaboration with various premier business schools worldwide, IMT is broadening its international reach and enabling students to develop cross-cultural insight and better understanding of global business.

Dress Code

IMT expects the students to adhere to the prescribed dress code so that they share positive, healthy and safe atmosphere within the campus. Smart casuals including full length pants are a must for the classrooms in academic building, library & computer lab, apart from business formals on specific occasions.

Facilities on Campus

All exchange students will be given an IMT email address in which they will be contacted regularly by administrative and academic staff. We also help the students by assigning them a buddy from the Institute for any queries or issues during their stay at IMT. The other facilities include Library, Computer Centre, Wi-Fi enabled campus, multiple sport facilities and other recreational facilities..

Programme

IMT offers Post Graduation Diploma in Management in both Full Time and Executive courses. It trains the future managers in all the functional areas of management including Finance, Marketing, Operations, Human Resources, etc. The programmes are structured with a vision of the future of contemporary business and incorporate long term needs of industry in the technological and international decision making areas as well. PGDM part time of IMT Ghaziabad is program that is distinctively designed for the working executives, entrepreneurs and professionals. The programme is indoctrinated to give the conceptual skills, communication skills, business and management skills with a focus on developing business leaders and change agents who should be ready to take the leadership roles after the completion of the programme. The programme provides unique advantage of learning while you work.
