

6 REASONS TO JOIN VIRTUAL EXCHANGE

FLEXIBLE

GREATER FLEXIBILITY IN TIME MANAGEMENT

- You can attend courses anywhere, as long as you have an internet connection.
- You can save commuting time, especially if you are working or have other obligations.
- You can study anytime and at your own pace since most classes are recorded.

STUDY THE WAY YOU LIKE

- You can access the course materials 24/7, which allows you to study whenever you want.
- You can study in a way that is most suitable for your learning; you can arrange your surroundings as you wish and you can be more relaxed by taking breaks when you need.

STUDENT-CENTERED

COST-EFFECTIVE

AFFORDABLE

- You can spare money, because you will not have travel or accommodation expenses.

VARIETY & QUALITY

- You can take courses that your home university does not offer, without travelling to another country.
- You can be an exchange student at top-ranked universities and earn credits.
- You can improve your network and start flattering your CV for future job applications.

ACADEMIC OPPORTUNITIES

GLOBAL AWARENESS AND PERSONAL DEVELOPMENT

GAIN PERSPECTIVE

- You can meet new people from other countries and learn about their culture.
- You can improve your skills in global digital literacy, virtual group work, cross-cultural communication, critical thinking, self-discipline, self-motivation, and foreign language proficiency.

A MORE CONSCIOUS APPROACH

- You can be more conscious about the environment by participating in virtual exchange. Less paper-work, less air pollution, less carbon footprint!
