INTERNATIONAL HONORS PROGRAM (IHP)

TRAVEL

Join us for Stanford's 4th quarter. You'll spend eight weeks on Stanford's beautiful campus studying under the palm trees. On the weekends, immerse yourself in the culture of the San Francisco Bay Area.

LEARN

You'll engage in a transformative educational experience through inspiring academics and a rich array of programming. All courses carry Stanford credit and you'll earn a Stanford transcript upon completion of the program.

CONNECT

By living on campus, you'll make lifetime memories with new friends from around the world and build your network with professors, scholars, and leaders in the Silicon Valley.

IHP students are nominated by their home institution. Contact your school's coordinator to get started on the application.
