IMPORTANT UPDATE ON THE APPLICATION METHOD AND TECHNICAL ISSUES:

Since there are technical issues on KUAPP about student login, for now, all applications must be entered into only TurnaPortal by the deadline (27.04.2024, 16:00). Students will be contacted later on and advised to complete their applications on KUAPP at a later stage when the KUAPP issue is fixed (This step will be planned and communicated after the deadline)

A guideline for the TurnaPortal application system can be found on our website. The applications which are not entered into the portal by the deadline will not be considered.

TurnaPortal System will close with the deadline and it will not be possible to make the application after 27.04.2024, 16:00. All students who wish to apply for this program must enter their applications on TurnaPortal accordingly.

The language score selection issue on TurnaPortal has been fixed.

Application Requirements, Application Method & Placement Criteria can be seen on our website. We also highly encourage our students to check our Erasmus+ Internship FAQ document to see the answers to the most frequently asked questions by our students.
